LOVER, MY WIFE

Dear *Mayfair*,

I met Tania at college and, although we've been together ever since (over nine years), we've only been married for just under three years. She's my best mate and I couldn't wish for a better partner. We've got so much in common and she totally gets me in every way. She's even understanding about my need for a bit of variety in my sex life, something I never thought she would be until I broached the subject last year. When I say variety, I should clarify – we've always been experimental, but I have never mentioned the urge to bring another person into our bedroom before, which I have had since we got together nearly a decade ago. I thought she would be appalled and upset with me, but she was completely up for it, much to my surprise.

Tania has always had an amazing body, with lovely big tits and fantastic long legs that seem to go on for miles – especially when they're wrapped around my waist while I'm fucking her. Unsurprisingly, guys are always eyeing her up and it makes me feel smug and proud to have such a stunner on my arm. And I have to admit that I get really turned on when other guys take an interest in my wife.

As I said, we've always been pretty adventurous when it comes to our sex life: shagging in places we might get caught, videoing and taking photos of ourselves in action and role-playing have all been part of our sexual antics over the last decade. But it wasn't until we got drunk last year and I confessed that I'd like to see her

"I PUMPED MY RIGID PRICK IN AND OUT OF HER SODDEN PUSSY, BOTH JEALOUS AND EXTREMELY AROUSED."

getting fucked by another guy that things started to become really interesting for me.

As we fucked a couple of hours after my admission, Tania started to tease me, getting me even hornier by suggesting friends of mine that she would be happy to invite into our bed – naming more and

BOB'S A GOOD 'UN!

Dear *Mayfair*,

Just wanted to drop you a quick line to say what a great magazine Mayfair is – it is still the top of the top shelf collection, with girls like the lovely Beth (52.04) guaranteeing I keep coming back month after month. My cock was soon rock hard when I saw the last picture of her, teasingly holding her pussy open for us! Also I have to mention the wonderful Chloe with her delicious bum up in the air for us to admire, as well as Bexie and Cara, posing with her legs up and showing off her lovely pussy! And then there's Simone with her lovely hairy pussy – perhaps you could find a nice redhead to show off her ginger minge some time soon?

Anyway, keep up the good work!
Bob, Norfolk.

more names as I pumped my rigid prick in and out of her sodden pussy, both jealous and extremely aroused as my wife listed the mates of mine that she fancied.

For a while after that night, we discussed

he kept himself in shape, had a nice smile and a very thick seven-inch dick.

A week later we met this Mike at a pub in town, and by the way Tania was flirting with him, I knew we'd made the right choice.

having a go at the dogging craze – both of us realizing that involving someone we knew might not be the wisest idea in the long run – but decided it wasn't really for us, so Tania came up with the idea of simply advertising on a contact website for a man to fuck her while I watched, or even filmed the event.

It was horny enough just going through the email replies and photos from all the men who responded to the advert we placed, which included a photo of Tania in black stockings, heels and a mini skirt on all-fours on our bed, her shaven pussy on display and her tits bulging out of her lacy bra.

Tania selected a guy Mike as a likely candidate, as his photo showed that

BROOKE-R PRIZE!

Dear *Mayfair*,

Well, you've only gone and done it again, unearthing another rare beauty to feature in your peerless magazine. I'm talking, of course, about the delectable Brooke, who quite rightly features on the cover of your latest issue. Rest assured, I certainly did have a good 'Brooke' at the pictures of her inside, spending an especially long time admiring her centrespread pic, in which she reclines, hair tousled and clearly just begging for a male companion to join her on that couch and worship at the altar of her exquisite body! Truly exceptional, and worthy to stand alongside other recent newbies like Danni Harwood, Kerrie Lee and Jada Cameo! I can't wait to see who else you might have up your sleeves for 2017.

Mark, Cheltenham.

Mike was fine with me filming them and wasted no time in getting better acquainted with my wife, snogging her passionately in the taxi-ride home. My cock was as stiff as a board as I watched them kiss and, as he ran his hand up her stockinged thigh, I couldn't wait to get out the camera and film them getting down to some full-on action.

I left them for a few minutes while I fixed us all a drink and when I returned to the lounge, Mike had already unbuttoned Tania's blouse and was gently stroking one of her tits through her black satin bra. Luckily, I had gotten my faithful camcorder ready before we went out, and I positioned myself by the door so that I could get both of them in shot. Tania smiled at me and slowly unbuttoned Mike's jeans before reaching inside and dragging out his semi-stiff prick. I zoomed in on her hand as it gripped his shaft, wanking him until his cock was as solid as mine. Then I zoomed out just in time to film Tania's long black hair cascade over the guy's crotch as she parted her bright red lips and sucked the shiny tip of his rod into her wet mouth.

She looked straight into the camera as she slurped on the tool, wrapping her tongue around the girth as it penetrated to the

back of her throat. I moved around the sofa and filmed Tania as she spread her legs so that Mike could grope her pussy from behind. He slipped two fingers straight inside her dripping pussy and turned them inside the tight passage, making Tania squirm. Through the camera's screen I could already see my wife's juices glistening on Mike's palm as he slowly plunged in and out of her, smearing her pussy cream all around the entrance to her snatch and onto the soft tops of her thighs.

Smiling up at me, Tania let his fat cock slip free from her mouth and, pulling out the two fingers that were embedded in her snatch, she straddled Mike's lap. She lowered herself slowly onto his twitching meat as I zoomed in for a close-up of the tip disappearing into the soft folds of her twat. Tania pushed her lovely boobs into his face and my dick throbbed as he noisily chewed on her nipples, slobbering all over her tits as he squashed them together, cramming as much of the smooth flesh into his mouth as he could while she rode his fat prick rhythmically.

I walked around them, filming all the while, as my wife bounced up and down, faster and faster on this guy's dick. I desperately wanted to join in but that hadn't been part of the agreement, so I waited impatiently for Mike to shoot his load and then disappear.

It turned out that I actually didn't have to wait long, as, with a loud grunt then a yell, his whole body tensed and he emptied his balls deep inside her. My final shot was of Tania lifting herself clear as a trickle of thick white spunk dribbling from her gash and over his softening cock.

After tidying himself up and knocking back a farewell drink, Mike left and I wasted no time in screening our new porno while I screwed Tania from behind in front of the TV. Tania came all over my cock as I added my mess to the spunk already squelching inside her gorgeous pussy.

We've watched the film quite a few times now, and are eager to build a collection of similar horny episodes. I love being able to watch my wife fucking other men, and Tania knows it pleases me so we're both happy. You never know, I might well be seeing some of your readers through my camera screen, too, very soon!

John, Camberwell.

"SHE LOWERED HERSELF SLOWLY ONTO HIS TWITCHING MEAT AS I ZOOMED IN FOR A CLOSE-UP."

LAV, ACTUALLY

Dear *Mayfair*,

I recently split up with my ex-girlfriend because she wasn't giving me enough action in the bedroom. My intention was to play the field for a bit and catch up on all the fun I'd been missing out on. This didn't quite go to plan when I met the girl who is now my current girlfriend, Rachel. She's 23 years old, with mousy blonde hair, gorgeous blue eyes and a figure that would make most blokes come instantly.

It all started as these things do with a bit of flirting in the pub. When I found myself sat with her one Saturday night I decided to try my luck. When we had a quiet moment together I asked her if she fancied coming back to mine to watch a DVD and neck a few more drinks. Being a total pessimist imagine my surprise when she replied, "I'd love to, babe!"

Back at mine I opened a bottle of wine and sat down next to Rachel on the sofa and we carried on our chatting. She explained to me that her ex-boyfriend had been a total arsehole with her.

"That's stupid," I replied. "I mean, why would he want to do that when he had a girlfriend as gorgeous as you?"

I felt I was pushing my luck but Rachel just blushed and we carried on chatting. I don't know if it was the booze affecting my judgement but I could tell she was interested by the way she kept brushing her silky hair back. After finishing her fifth glass of wine she got up and apologised as she needed the bathroom.

"It goes straight through me," she

Do you find it tricky to keep your cool on a sultry summer's afternoon? Me too, which is why I thought a little jacuzzi in the garden might be a good idea. Only trouble is, when word gets round you've got one, you keep getting people turning up wanting to get in. Bloody typical! Ree here made it even worse by insisting on stripping off in the bloody thing, which meant that frankly the whole afternoon was a write-off. As were my trunks.

GLASGOW MISS

Dear Mayfair,

Following your letter last month from someone whose colleague spent the weekend in Emmer Green, you might be interested to know that I spent my first 12 years or so in Penilee – a housing estate near Glasgow (sadly) not to be confused with the similar sounding model. It's not the poshest of places, but if Penny herself fancies a guided tour of the place, I'd be more than happy to volunteer!

Alan, Edinburgh.

Thanks for the offer, Alan - we'll pass on the offer, but don't hold your breath - Ed.

added as she walked across the room, her gorgeous arse and hips swaying from side to side almost hypnotising me.

Twenty minutes had passed and I feared Rachel had sneaked out the front door (told you I was a pessimist!) so I called up to the bathroom from the bottom of the stairs.

"Rachel, are you OK? It's just you've been gone a while and the wine is getting warm!"

"Yeah, sorry," she replied, "I'm just a bit pissed, that's all!"

I breathed a sigh of relief and was about to return to my seat when she added, "actually, could you come up here a second, I need a hand with something."

I went up the stairs as the bathroom door burst open and there stood Rachel in her full naked glory. She was already tweaking her nipples that were perfectly mounted on her pert little tits and her hand slid down to her neatly trimmed mound where she started rubbing her swollen pussy lips.

Without any hesitation she grabbed me by my belt and dragged me into the bathroom, pushing me against the back of the door. She pressed her fanny hard against my stiff cock and said, "I want to feel that bulge of yours inside me."

With that she ripped my clothes off like some kind of animal then I spun her round so she was bent over the edge of the bath.

I grabbed my cock by its base and slid it in inch by inch. She was already dripping wet as I began to bang away at her gorgeous silky snatch, squeezing her tight little arse with one hand and massaging her tits with the other. Within seconds she had climaxed and screamed as an orgasm

THAT BULGE OF YOURS

rippled through her body spilling her warm sticky juices all over my cock and down the insides of her toned thighs.

"Sorry," she panted. "I have been waiting for you to do that to me for fucking hours."

She grabbed my cock and slid it slowly out of her sodden gash.

"Now it's your turn. I'm going to milk every last drop of spunk out of your meaty cock," and with that she hungrily stuffed my whole seven and a half inches into her mouth, making lovely slurping noises and cupping my balls as she let me fuck her mouth. After a couple of minutes of doing this I could

take no more and I felt my balls tighten as I shot gallons of spunk down her throat.

Rachel rubbed my warm sticky jism into her breast, licking her fingers clean after. I then told her to lie down on her back and spread her legs as wide as she could. I licked the entire length of her wet slit, which made her shudder with delight, and spread her lips to expose her swollen clit.

I sucked at her nub while plunging two fingers in and out of her fanny. This obviously sent her over the edge again because within minutes she was gripping my head and screaming, "Don't stop! I'm coming!" before bucking her hips and screaming out for the second time as another orgasm waved through her.

By this time my cock was hard again and aching to fuck her soft pussy lips. The sight of her there legs akimbo was an offer I couldn't refuse so I mounted her and pumped away like a dog on heat. All the time Rachel was screaming at me, "Go on! Fuck me as hard as you can you bastard!"

When I could feel the tides of my hot jism rising again, I pulled my cock out and wanked slowly over her snatch, shooting my cream all over her fanny and belly.

Needless to say, after that episode we started seeing more of each other and have shared many a fabulous night together.

Tony, Swindon.

Et voila! Yep, it's another Mayfair newbie, introduced in a foreign language on account of her rather unusual name. So tell us, Viola, how did you end up with that one?

"It was because my Dad used to play the viola, I think. I know it's a bit unusual, but I kind of like it – it's like Violet but a little bit unique. I got teased a bit at school, but didn't everyone, one way or another? And once I started growing boobs the boys stopped picking on me pretty quickly!"

Yep, with a pair of lovely boobs like those I think guys are always going to be nice to you, even if you old man had played the trombone!

"Stay the fuck away from Aunt Karen when she's been drinking!"

A little lady answered a knock on the door one day, only to be confronted by a well-dressed young man carrying a vacuum cleaner.

"Good morning," said the young man. "If I could take a couple of minutes of your time, I would like to demonstrate the very latest in high-powered vacuum cleaners."

"Fuck off," said the old lady. "I haven't got any money," and she proceeded to shut the door in his face.

Quick as a flash, the young man wedged his foot in the door and pushed it wide open.

"Don't be so hasty," he said. "Not until you have at least seen my demonstration." And with that he emptied a bucket of horseshit all over her hallway carpet.

"If this vacuum cleaner does not remove all traces of this horse shit from your carpet Madam, I will personally eat the remainder."

"Well," she said, "I hope you've got a fucking good appetite, because I had the electricity was cut off this morning."

A man was digging in his back garden one day, when his shovel hit a hard object buried in the earth, which revealed itself to be an old bottle sealed with a cork. The man wrenched the cork free and, to his astonishment, there was a cloud of smoke and a clap of thunder. He then looked up to see a massive genie standing before him.

"As a reward for freeing me, I shall grant you three wishes," said the genie, "But understand, whatever you wish for, your most hated enemy shall receive the same, but twice over."

The man's most hated enemy just so happened to be his next-door neighbour, a Mr Jones.

"Let's see. My first wish is..." He looked at his weather-beaten bungalow, "...to live in a ten-storey luxury mansion with a massive garden."

The genie clapped his hands and suddenly his minute shack transformed into the most beautiful house he had ever laid his eyes on. He heard a cry of astonishment from next door and looked over to see Jones standing in the doorway of his new twenty-storey mansion.

"Now I want fifty of the most beautiful women imaginable," said the man.

There was a big puff of smoke and again his wish was granted. He was annoyed, however, to see Jones grinning and waving, surrounded by his own harem of 100 women, all twice as attractive.

"And what is your final wish, Master?" asked the genie.

"I want to lose a testicle," said the man with a grin.

QUEST...

Reckon it's high time we had some confessions from some of our horny lady readers? Well so do we - and here they are!

Jenny threw a massive party at her home in Surrey, a huge great big place, very posh. We'd met while we were travelling in South America last summer so I didn't know any of her family, but was really pleased to be asked. I checked into the hotel that she'd booked for me, showered, changed and headed for

was moving his hand between her legs. All of a sudden the man looked up and held my gaze for several seconds. He knew I'd been watching and I was unable to take my eyes off him. He kept looking at me over his partner's shoulder or when she looked away. He was very tall, dark and handsome, as the old cliché goes. He was also quite a lot older than me and those constant looks

really made me feel like a little girl. I was secretly flirting with him and he knew it. When the music stopped he patted his partner on the behind, whispered something in her ear and left the dancefloor. He was heading in my direction.

Simply and confidently he held out his hand to me and led me onto the floor. He turned me so that my back was to the wall so no-one could see his hands. I could feel his breath on my shoulder and neck; it was warm and soft. He put his hands over the top of my buttocks and quickly realised I wasn't wearing any knickers (I

didn't want to spoil the line of my dress). He pressed himself against me and I could feel his hard-on; I knew he wanted me.

He put his hands on my bum and pulled my cheeks apart. I gasped at his cheek. Then his hands dropped lower and he pulled my little dress up so that half my arse was hanging out. My nipples hardened at

the thought of it and he knew the effect he was having on me.

Craftily he moved his hand round so that it was at the entrance to my wet pussy. He moved a couple of fingers inside me slightly and I pressed myself against him so he could reach better. He was using his fingers like a dick, pushing them in and out of me and it was driving me insane. It was outrageous. I had to pretend we were dancing while this stranger was actually finger-fucking me!

Suddenly he stopped and pulled down my dress. He'd noticed the music was coming to an end. Then he took my hand and led me off the dance floor, past all the other guests and out through the French windows into the garden. It was done so confidently that no-one gave us a second glance.

Away from the noise of the party this man leant me up against a tree, pulled my dress up so it was round my waist and still looking me in the eye, used his hand to open my legs. His fingers went inside me once more as the bark of the tree scratched my peachy little arse. I was dripping wet as he pulled and pushed his fingers in and out, running them over my clit every time

he withdrew. I leaned forward. His dick was rock hard under his clothes, so I unbuttoned his trousers and unzipped him. His cock sprang into the night air. It was huge and I wanted it.

I sank down onto my knees in the mud and he pulled my dress over my head. I was naked apart from my sandals. My eyes were now level with his dick so I took hold of it with both hands and directed it into my waiting mouth. I felt his whole body clench and he steadied himself on the branch of the tree. He started to move in and out of my mouth, but I didn't want him to come so I pulled away. I ran my tongue greedily up and down the shaft, then quickly took him into my mouth again when I reached the top of his cock. I ran my tongue in the slit and tickled him. I knew he was hungry for a fuck because he couldn't stop his hips from moving.

I stood up and he grabbed my boobs for the first time, squeezing my nipples between his fingers and thumbs. I wanted his mouth there so I took his head and gently guided him down. He took a nipple in his mouth and covered it with saliva before moving to the other one.

Suddenly I heard someone coming up behind me and tried to turn my head to see who was there. He held my head straight so I couldn't look, then lifted his head to

her house in the car she'd sent over. See what I mean about being really posh?

As soon as I walked into the huge main room I couldn't help but notice one particular couple. They were very smart-looking, sure, but the most amazing thing about them was that although they thought no-one could see them I could tell that he

me and smiled. "Open your mind," he said. With his hands on the sides of my head he stepped back so that I had to follow. Then I felt another body take the position I'd held against the tree. Then a different pair of hands reached for my tits. I quickly glanced down and saw manicured nails and rings. It was the woman who'd been dancing with him when I'd first arrived. Her fingers caressed my nipples. The man took a step back and the woman placed her body between us. She was already naked, with a body that seemed to belong to a woman who was much younger than her. She kissed my boobs and left lipstick smeared on my soft, white flesh. Then she ran her tongue down my belly and buried her face in my bush. She parted my legs with her hands and as I moved back to steady myself against the tree she started gobbling at my pussy.

I opened my eyes to see the man standing behind her and ramming his cock into her. She matched every stroke he gave with her tongue, fucking me with her long, expert muscle. I lowered my hands towards her and she took them, guiding them to her own hard, ripe nipples. As I squeezed them I felt her moan against my clit. I squeezed again, this time harder, and she bit me. My cunt was being eaten by a woman — and I loved it!

Suddenly the man stopped and pulled out of the woman, took me and laid me down on the grass, then opened my legs really wide so that they could both look at my soaking pussy. He reached out and stroked me before finally easing his lovely big cock deep inside me. He started slowly, as if he

was afraid of hurting me, but I bit his shoulder to say that I wanted it rough and he thrust hard and deep inside my cunt. I groaned with pleasure.

He used his dick like a dildo, moving it up over my clit, then back deep into my pussy. I came almost at once and he was quick to follow, just a stroke behind. I felt his hot spunk fill me and as he thrust deeper my pussy squeezed the very last juices out of him.

It took me a few moments to recover, but it wasn't all over yet. The woman crawled up to me and rested her pussy over my face. She lowered herself down on my mouth and gyrated her hips so my face was soaked with her juices. I ran my tongue over my lips to taste her, then reached for her hips and brought the pussy down to my mouth before skewering my tongue inside. She moaned and grabbed her tits, tweaking hard at her own nipples. I ran my tongue along her slit and found her engorged clit. I touched it and she winced with pleasure, then came the minute I squeezed it between my teeth, soaking my face with her come. I felt her cunt vibrate and twitch and rammed my tongue into it to share her orgasm. Once we'd all got our breath back the man and woman disappeared back across the garden to the house.

I was delighted but confused by the whole affair and the rest of the party went by in a blur. I didn't really remember taking the car back to the hotel, but knew when I woke up the following morning that I was supposed to be at Jenny's for breakfast at 10.

The house was eerily quiet as she led me into the drawing room, where I couldn't believe what greeted me. There was a family portrait hanging over the fireplace. Jenny was smiling with her mother and father — and her parents were the ones who'd fucked me the night before!

"I FELT HIS HOT SPUNK FILL ME UP AND AS HE THRUST HARDER MY PUSSY SQUEEZED THE VERY LAST JUICES OUT OF HIM."

I've always taken pride in my appearance and like to look damn near perfect at all times — after all, you never know what's going to happen, right? It seems strange to some of my friends that all the blokes I've been out with are really scruffy-looking, but I just

put it down to opposites attracting. Take Dev, my current boyfriend, for example. He works in a garage, so is a complete grease-monkey, but I love a bit of rough! Not so much when he gets oil on my new Dolce & Gabbana skirt, mind you... But when he

mess and, to be completely honest, a little embarrassing.

After a bit of a battle of words, Dev finally blurted out, "what about the state of your bush? I don't see you shaving that! Alright, you shave your snatch and I'll shave my

razor and shaving gel, leaving Dev looking after me, somewhat peeved that I would dare to call his bluff.

I'm no stranger to shaving my pubes. – I like to keep them nicely trimmed and have Brazilians done in the summer, but I'd never fancied losing the lot. However, I wasn't about to back down now – especially if it meant seeing Dev without that horrible beard.

Eventually following me into the bedroom, he offered to help, but I told him there was no way he was messing up his suit. Messing it from the inside was clearly his biggest risk – I could see he was already rock hard. I'd taken off my knickers, but left my hold-up stockings on and simply hiked up my dress. Now I was on the bed, towels

under my arse and mirror propped in between my knees, smoothing sticky white foam into my pubes. Then I started pulling on my labia, stretching them taut so I could shave my fuzz off safely.

I got it done quickly – maybe too quickly for Dev's liking – then mopped and dried myself off. Now I finally gave in, letting him have a stroke of my freshly smooth skin. I knew I was turning him on, but I didn't realise how horny I'd got myself, too – not until his fingertips dipped inside my pussy. Although I knew we were in a rush I couldn't help myself, and I encouraged him to push them in deeper. As his knuckles disappeared inside my moistness, I started to moan, and screwed myself on Dev's fingers, grinding myself against his hand until I came.

While I'd been in the throes of my own

gets in, all sweaty and dirty, and just grabs me for a quick fuck, I do love it!

The only time we really disagree about how he looks is when we're going somewhere nice together, like a nice restaurant or a party. The worse time on recent history, however, was when we had to go to his friend's wedding last month and he had to wear a suit and tie. Jeez, you would've thought he'd been asked to wear a tutu!

Despite me only being his plus one – and having only met the groom once – I forced him into an ironed shirt, suit, tie and respectable shoes, with an hour to go. But if I thought he'd made a fuss about his outfit, asking him to have a shave sent him over the edge! He practically had a tantrum, in spite of me telling him that he looked like he was going to court. It wouldn't be so bad if he ever trimmed or groomed it – facial hair can be extremely sexy – but it was a wiry, straggly

face!"

He then stood back, arms folded, with a really smug, triumphant look on his face. Pillock.

"Right then," I retorted, "Into the bedroom, then! Let's go!"

And with that, I marched off to grab my

couldn't do anything in the car, as it was broad daylight, so once we got inside the building, we made the risqué decision to have a quickie in the ladies!

The thought of being caught just upped the anti and we felt so naughty waiting till the coast was clear before sneaking into the nearest cubicle. Trying to stop myself giggling at what we were doing, I couldn't resist teasing Dev, telling him to be careful not to crease my dress and not to get spunk anywhere! He just gave me a withering look, told me to "shut the fuck up" and bent me over the toilet, so that my bum was sticking up in the air, my wet pussy inviting him in.

Positioning his fat cock at my snatch entrance, he put one hand on my bumcheek and slowly pushed himself inside me, his girth stretching me open as he filled my pussy up to the brim. Quickly finding his rhythm, Dev began breathing

up to! I was only just coming down from my orgasm when Dev pulled out of me, his dick still rock hard – I had been sure he would've shot his load inside me at the same time – and told me to turn around,

"HE PUT ONE HAND ON MY BUMCHEEK AND PUSHED HIMSELF INSIDE ME, HIS GIRTH STRETCHING ME OPEN."

adding, "there's always one way of keeping our clothes spunk-free!"

As I faced him, I realized he was waving his beautiful schlong at me and I obliged, perching on the edge of the toilet seat and opening my mouth really wide so he could slide his cock inside it without making too much mess of my lipstick. I lapped against the underside of his helmet, then felt and tasted his spunk as it splattered out of his tip, onto my tongue and down the back of my throat.

We made it through the ceremony, but left the reception as soon as the meal was finished – I don't think I've ever been so desperate to get home for a screw in my life! I wasn't disappointed, either – five hours of constant fucking is a record for me... We should both shave more often!

ecstasy, Dev had pulled his todger out and begun to stroke it with his fist, his breathing becoming louder. I knew he'd want a fuck, but I knew we were running out of time and I was determined to get him to shave his face!

As soon as I'd finished coming, I pulled away and stopped him from wanking to

"AS HIS KNUCKLES DISAPPEARED INSIDE MY MOISTNESS, I STARTED TO MOAN."

completion, reminding him of our deal and saying that if he was good, I'd make it up to him later. This seemed to do the trick and, although he was obviously wanting a shag, he reluctantly went into the bathroom to have a shave.

The guy who emerged ten minutes later looked completely different! Smart, slick and very sexy! I couldn't keep my hands off him and if we'd had any more time I would've ripped that suit right off him! But we didn't, so we headed off in his car, both feeling really fucking horny – him with blue balls and me getting hornier the more I looked at Dev's handsome face.

By the time we arrived at the registry office I could barely contain myself and I knew Dev felt the same. We obviously

heavily, softly moaning as he saved his dick in and out of my juicy cunt, pushing the tip of his thumb into my bumhole and causing me to gasp.

As I reacted to the shock of his digit in my arse, he pummelled his prick as hard and as deep as he could, bringing me back to the point of orgasm immediately. Holding me by the hips he thrust into my climaxing twat, pumping his tool deep within my convulsing vaginal walls.

I came as quietly as I could, but it was so intense that I knew if someone else had been in that ladies' room, they would've known for sure what we were

We guess not. Hmm, and we wouldn't mind a piece of it as well, please!

They say an apple a day keeps the doctor away, but if my doctor looked anything like Katie Thornton here I'd be more than happy to ditch the 5-a-day fruit and veg guidelines, in the hope that I might need to call her out for house call or two now and again!

"Ha, well you can't go blaming me for any crappy diet you might feed yourself – I'm all for a healthy mind and a healthy body, me!"

Well, there's no doubt about it – your body looks like it's in fine fettle. I'm not entirely sure all the things it puts in my mind are especially wholesome, though!

Now unless we're very much mistaken (and it can happen, believe it or not!) we reckon that Amber Jayne here made her first appearance in *Mayfair* back in volume 47 (aham, so five years ago), appeared again that volume and then – well, here we are in volume 52 and she's finally back! What were we thinking of?!

"I don't know – I figured you didn't like me or something!" she pouts, playfully (we think).

Nope, we're pretty sure it wasn't that. Erm, have you been in the clink or something? No? Then we've really got no excuse!

CANELA

Age: 25 Vital Stats: 34C-23-33 5'2"
Photographer: DDF

□ □ □ □ □ □ □ □

Yes, we know her name's a little bit reminiscent of a brand of artificial sweetener, but frankly we reckon Canela here is easily sweet enough on her own! But aside from her striking tattoo, stunning face and simply magnificent bum, what's really intrigued us is her bathtime routine...

"I always feel super horny in the bath!" she confesses. "After all, your on your own in a locked room with your clothes off – it'd be stupid not to have a little play, wouldn't it? And then there are all those oils and bottles to hand. Don't you always get the horn in the bath as well?"

We sure would if you were in it!

Being told she had a 'womanly' figure was something 22-year-old Amanda Barrington had to get used to when she manned the reception desk of a hotel in the West Riding of Yorkshire. 'I thought they were hinting I was a little too well-padded,' says 38-24-36 Amanda, who hails originally from Birmingham. 'Then I went out with a local lad who explained that they were just saying how nicely rounded my figure was — though all he seemed interested in was my boobs!'

MAYFAIR
Classic

The subject is a sensitive one for Amanda. 'Until I was 15 I was a little podge,' she says. 'Then overnight everything seemed to go to my chest. I literally ballooned!' It made an immediate difference to her life. 'I was a secretary after I left school, but within a couple of weeks of starting my first two jobs I was moved onto reception. The trouble was I had a mental block about typing my own name. It always came out as "Amnada". I don't think that impressed my bosses!'

Reception work provided an outlet for her outgoing personality, hence the move to the hotel trade. 'I love chatting people up — not *just* the fellows!' But it was male interest in viewing more of that womanly figure that prompted her to model. 'Hope no one's disappointed,' she says. Amanda, you *must* be joking.

MAYFAIR Classic

I don't think I've ever stayed in a hotel in West Riding, but when I do, I'll be sure to comment on whether or not the receptionist has got a womanly figure – it's obviously the done thing up there. Mind you, if the receptionist looks anything like Amanda here I'll be on my best behaviour. Interestingly for fact fans, this blurb is believed to be the last time the word 'Podge' ever appeared in the magazine... until now, that is!

MAYFAIR

Vol.54 No.10

On Sale October 18th

There's no two ways about it – the heady days of high summer are long gone, and while we're hoping an Indian Summer to give us a final buck up before we're all done for another year you can rely on us to do all we can to keep things sizzling hot in *Mayfair*! It's been a few tads too long since we last hooked up with scrummy Tommie Jo, but we're delighted have been able to lure her back into the studio again – and the results are just as stupendous as you'd expect! And if you think it's been a long wait for TJ, Ana Foxx is back after a five year hiatus, getting rather pally with Milan...
